## MILLER ECOLOGICAL PARK ENGRAVED PAVER PROJECT

Purchase a paver to help fund MEP Park Improvements!

Miller Ecological Park Trustees and Steering Committee are organizing an engraved paver fund-raising project to help fund a restroom/shelter/storage building for the entrance of MEP. They are offering the engraved Pavers for \$100 donations. Volunteers at Miller Ecological Park will qualify for a paver with a donation of \$75. 300 pavers line both sides of the stone walk from the parking lot to the entry way feature. **(4x8 Paver; 3 lines of text; 14 characters per line)**

Maggard Memorials and Laser Art will be doing the project for us. As far as wording, Maggard Memorial's philosophy is: *"A brick project is all about consistency. We use all caps (all the time). No emblems. We offer two or three-line bricks. One-liners are possible. All lines have the same spacing between them; all lines are centered both horizontal and vertical."*

See back for order form.
